

AGC's Top Policy Principles for the 115th Congress

- Improve the Pipeline for the Construction Workforce
- Make Sure Government Rules and Regulations Improve Workplace Safety
- Support Regulations, Policies, Guidance, and Executive Orders that are Cost-Effective and Practical
- Create a Positive Environment for Private Building Construction
- Tax Reform Cannot Ignore “S” Corps, Capital Investment, or Infrastructure Needs
- Reinvigorate Federal Construction Programs and Pass a Significant, Long-Term Infrastructure Bill
- Make the Highway Trust Fund Sustainable
- Protect Employers’ and Employees’ Rights to Free Speech and a Fair Process in Union Organizing
- Modernize Multiemployer Pension Plans
- Improve Health Care Affordability and Quality
- Oppose Government-Mandated Project Labor Agreements
- Make the Federal Procurement Process Save Money and Increase Competition
- Repeal the Prior Approval Requirement for PAC Solicitations
